Dear Vicki:

It is my great pleasure to thank The Eve Fenton Love-All Foundation for hosting a Valentine's Day party at the Pediatric ICU at Roosevelt Hospital. The children greatly enjoyed the two comedians, the FDNY mascot Hot Dog, as well as the sweat treats which were delivered to their rooms. Your wonderful event truly brightened the children's day.

Our patients and families appreciated the special attention they received that day. Thank you again for this meaningful support and for all you do for our hospitals.

Sincerely,

Patricia A. Balsamini
Vice President for Development
