

December 2012

The Eve Fenton Love-All Foundation,

On December 14th, 2012 Adam Auslander, the Child Entertainer, along with Hot Dog the FDNY Fire Dog, Santa and comedian Bob Greenberg visited the children at St. Luke's Roosevelt Hospitals Pediatric Intensive Care Unit, the Development Delay Clinics and the Emergency. During their visits they shared laughs, tricks, food and gifts. Food and gifts were generously donated by various local dining spots. Children and families had the opportunity to get out of their rooms and enjoy some of the holiday festivities. The families and patients were all smiles during and in the days to follow during their hospital stay.

Sincerely,

Ingrid Ordóñez-Street
