Thanksgiving Harvest Event – October 30, 2014

Thanksgiving Harvest Day is a day of glory for a blessed thank you story all year round. This day is a day set aside to say thank you for all the blessings bestowed on us each and every day. The blessings of wisdom, inspiration and strength, focusing our lives on love, rather than hatred, 365 days of the year, shall uphold the Eternal Flame of Life for humanity. Be thankful for the blessings of the guidance you have received from the people in your life, which will enable you to achieve your goals in life. Each and every day, we are provided with the incentive to ascend to our ultimate goal to succeed with all of your endeavors and that, in and of itself, is a blessing. Each and every day of your life, is the window of opportunity to walk the avenue of success. Our Foundation theme song, is entitled, "Anyone Can Do It," therefore, always be dedicated and determined to navigate to success. Remember, the blessing is dedication, determination and ultimate delivery TM for your goals in life. As my mother, Eve Fenton, asserted, "Reach for a star and you will be blessed with a galaxy." TM

Sincerely,

Vicki Fenton
