Dear Ms. Fenton:

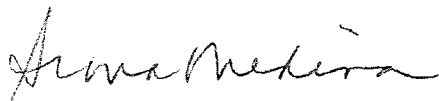

On behalf of PS/IS 111, I would like to thank the Eve Fenton Love All Foundation, Dream Team and Benevolent sponsors that donated their goods and services to our school on May 16, 2104 for our Mother-Daughter special event. The Mother-Daughter event was a special time where our female students and their mothers or surrogate mothers were able to spend quality time bonding and sharing with each other.

In addition, we appreciated your beautiful poem and moving speech about the bond between mother and daughter and the unconditional love they share.

Your commitment to helping schools in our community is sincerely appreciated.

Thanks again for your generous support.

Best wishes,

Irma Medina
Principal
