Dear Vicky,

Thank you for your generosity of food and gifts for the staff and families of the Pediatric Intensive Care Unit. Unfortunately this will be the last shindig we host here as the unit is closing and moving to Mount Sinai hospital. We will be forever grateful of your continued support over the years; parties, visits from Hotdog the fire dog and many others, and gifts for the children have been a treat and a welcome distraction.

I cannot express enough our extreme gratitude and on behalf of the staff, children, and families, of the pediatric intensive care unit and The Institute of Neurology and Neurosurgery we appreciate your generosity at this event and throughout the past years.

Sincerely,

*Genevieve Lowry*
