Vicki Fenton
President and Founder
Eve Fenton Love All Foundation

Dear Vicki,

On behalf of the Recreational Therapy/Child Life Department and the Long Term Care residents at Children's Specialized Hospital in Mountainside, New Jersey, I would like to thank you for yet another delightful party you sponsored on July 27, 2014. Thank you for organizing this event for us. We appreciate the continuous generosity and compassion that you demonstrate to our residents and their families. We know many hours of work go into organizing this party, and we thank you for your dedication.

Our kids enjoyed gathering together in our Day Room for the energetic comedian routine. As always, the comedians provided laughter and merriment for our residents, their families, and staff. Thank you also for providing us with a delicious feast! Families and staff thoroughly enjoyed the food that you donated to the party. Family members of our residents also appreciated the gifts you provided. Many, many thanks, Vicki!

Kind Regards,

Lindsay Kealy, CTRS
