

Congress of the United States
House of Representatives

A DAY IN HONOR OF VICKI FENTON, 2012

*By The Representative of The Fifteenth Congressional District of New York
In the 112th Congress, Second Session*

A PROCLAMATION

WHEREAS, Vicki Fenton an outstanding citizen in the city and state of New York, has dedicated her life and work to those who are less fortunate than others. Vicki took notice at a young age to the work of her mother and grandmother. Their guidance and wisdom guided Vicki to form the Eve Fenton Love-All Foundation to keep their mission and charity alive.

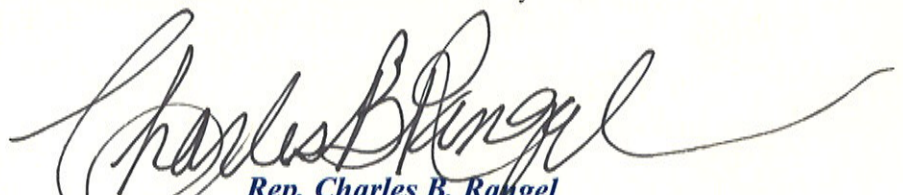

Vicki has followed in the footsteps of her mother and grandmother, advocating for those who are unable to do so on their own behalf. She has successfully engaged in charitable and legal work for those who needed it most. Her exemplary spirit has led to the success of many young people who were in need of placement in education institutions and/or business opportunities. Other achievements include standing before numerous city committees to keep a supermarket open that provided nearby residents with access to fruits, vegetables and other healthy dietary options. In addition, she has drafted documents to aid the elderly and disabled in legal proceedings. Through all of this work, Vicki has demonstrated a noble character that has inspired others and aided countless many.

The Eve Fenton Love-All Foundation, under the direction of Vicki, has prospered and grown into an outstanding organization dedicated to assisting children in need. The foundation has reached all across this great city and state of New York to help our youngest citizens, including those in my beloved district in Northern Manhattan. Her tireless efforts to support those who need it most have made her into a beloved figure in her community and a great inspiration to young people who wish to engage in charity and advocacy.

NOW, THEREFORE, I, CHARLES B. RANGEL, Representative of the Fifteenth Congressional District of New York in the United States House of Representatives, in view of the above and with the gratitude of your fellow citizens, I do hereby recognize, FEBRUARY 6, 2012 as "VICKI FENTON DAY." I call upon the people of my district to observe this day with appropriate celebrations in her honor.

IN WITNESS WHEREOF, I have hereunto set my hand and caused to be affixed the great seal of the United States House of Representatives this Twenty-eighth Day of February, in the year of our Lord two thousand twelve and the Independence of the United States of America the two hundred and thirty-fifth.

Rep. Charles B. Rangel
Dean of the New York State Congressional Delegation
