Dear Vicki,

Thank you very much for organizing the Fall Harvest Event at the Morgan Stanley Children's Hospital on October 23, 2007. You once again brought another wonderful celebration to our hospital. The children thoroughly enjoyed the food, arts and crafts, and especially the visit from Hot Dog the Fire Department mascot. The event truly benefited our patients and families by providing respite from their treatments. We appreciate the effort and preparation you put in to make these events possible.

On behalf of our patients, families and staff, thanks again for your continued friendship and kindness.

Sincerely,

Aliza Koenigsberg
