Dear Ms. Fenton & Friends:

Thank you for your generous and thoughtful donation of two large shopping bags of desserts and treats that was donated to you by your sponsors made to the Ronald McDonald House of New York. Your donation is greatly appreciated and it is not in return for any goods or services.

Since 1979, we have served more than 10,500 families while their children are being treated for cancer. Help and support from groups or individuals like you allow us to provide for all of the families who come through our door.

Every day, children form friendships with other children and, through these bonds, regain a sense of control and experience the fun of childhood.

Sincerely,

William T. Sullivan
