Dear Ms. Fenton:

I want to thank you and the many people who collaborated and contributed to the holiday party for children at the *Mount Sinai Medical Center*. Patients from the general pediatric and pediatric neurology clinic attended. In addition to delicious treats to eat, each child received a gift which had been donated. The children were delighted and I hope this will become an annual event.

I want to thank you personally and all the people who volunteered to make the event a success.

Most sincerely,

Alan M. Aron, M.D.
