

THE CITY OF NEW YORK
OFFICE OF THE MAYOR
NEW YORK, N. Y. 10007

May 20, 2007

Dear Friends:

It is a great pleasure to welcome all those attending the Post-Mother's Day Event hosted by the Eve Fenton Love-All Foundation.

Mothers whose children are battling cancer and other serious illnesses only have one wish for Mother's Day: to see their children in good health. These women dedicate so much of their time and energy to help their children fight their illnesses, and we are proud to be a part of this special day that has been organized to lift their spirits and honor their tireless efforts. The event – which features live music, entertainment for children, and an array of gourmet food – promises to be a terrific time for all involved.

On behalf of the residents of New York City, I commend the Eve Fenton Love-All Foundation for hosting this event, and salute its continued commitment to serving the needs of our City's most vulnerable children. It's always gratifying to unite with people and organizations who commit themselves to ensuring the well being of these everyday heroes. Please accept my best wishes for an enjoyable afternoon.

Sincerely,
