Dear Ms. Fenton:

I am writing to express my gratitude for your generous donation of tickets to children and families in my Queens Council District.

Your efforts provided a spectacular Easter Sunday outing for these children, some on whom had never attended a Mets game before, despite the proximity of Shea Stadium to their homes. The BCL Day Care Center, who organized the students and parents for the trip, had only rave reviews of the wonderful afternoon you provided the children. They were appreciative of the tickets to the game as well as the many added bonuses you arranged, including special lunches, educational material, flags and t-shirts. They were very impressed, as am I.

I join the children in thanking you and your co-sponsor WB 11 for this opportunity. The Eve Fenton Love-All Foundation is clearly doing quality work in its efforts to support and educate children throughout New York's diverse communities. I look forward to working with you in the future.

Sincerely,

Hiram Monserrate
