Dear Ms. Fenton:

I want to thank you most sincerely for delivering your wonderful individually wrapped gifts from many different companies. These will be distributed to our pediatric population in the general clinics and pediatric neurology clinics at the *Mount Sinai Medical Center*. I know the children will be delighted and very happy to receive these.

This represents an enormous effort on your part and I want to thank you personally for all your work on behalf of our children. I look forward to our continued future association.

Most sincerely,

Alan M. Aron, M.D.
