PROCEEDINGS AND DEBATES OF THE 112TH CONGRESS

**IN TRIBUTE TO
VICKI FENTON OF
THE EVE FENTON
LOVE-ALL FOUNDATION**

**HON. CAROLYN B. MALONEY
OF NEW YORK
IN THE
HOUSE OF REPRESENTATIVES**

Mr. Speaker, I rise to honor Vicki Fenton, CEO, President and Founder of the Eve Fenton Love-All Foundation, for her tireless efforts to serve others. Through her devotion and determination, she is the driving force behind the Eve Fenton Love-All Foundation's initiatives on behalf of the health, happiness, and education of children in need.

Vicki Fenton founded the Eve Fenton Love-All Foundation in loving tribute to her mother Eve. It offers support to children from underprivileged backgrounds or who are confronting adverse health conditions by organizing events and programs at schools, clinics, hospitals, and community organizations. Ms. Fenton is an energetic, spirited, and relentlessly enthusiastic champion for the Foundation's vital mission and the deserving children it supports.

Through its network of sponsors and volunteers, the Eve Fenton Love-All Foundation strives to provide hope and inspiration to countless families of children with special needs, as well as young adults battling cancer, diabetes, neurological problems, and other debilitating medical conditions. By sponsoring celebrations, special events such as parties in pediatric wards, and a variety of other programs, many based at prominent health care institutions in the New York City metropolitan area such as Roosevelt Hospital, Downstate Medical

Center, St. Luke's Hospital, Chai Lifeline Foundation, and Mount Sinai Hospital, the Foundation works to improve the overall health care, nutrition and education of those it serves. The Foundation also develops partnerships with schools in New York City such as Baruch College in Manhattan, Frederick Douglass Academy VI High School in Queens, and other high schools.

Through the generosity of more than 260 sponsors, the Foundation has been able to organize more than 112 events, among them hospital fund-raisers, educational events at museums, financial literacy seminars for young students at the New York Stock Exchange, sports events at Shea Stadium, and "run-a-thons" with the New York Road Runners Foundation.

Mr. Speaker, I ask my colleagues to join me in recognizing Vicki Fenton for her dedicated and compassionate service to others through her years of leadership at the Eve Fenton Love-All Foundation.
