hereas:

*The Council of the City of New York is proud to honor Vicki Fenton for her lifetime of excellent service and enduring contributions; and*

**WHEREAS:** *Vicki Fenton has dedicated her life and career to supporting others who are less fortunate than others. She was inspired at an early age by two other profoundly compassionate individuals, her mother and grandmother, who demonstrated what a tremendously positive impact one person can have in the lives of others. Since then, Vicki selflessly devoted her time and energy to the well-being of others, including those who cannot look after themselves. In doing so, she too has become an inspiring role model to others and has continued building upon her mother's and grandmother's legacies as the visionary Founder and President of the Eve Fenton Love-All Foundation; and*

**WHEREAS:** *Vicki has played a major role in the success of countless young people seeking access to education or business opportunities. She has truly nourished our entire community, particularly through her tireless advocacy before City officials to ensure that a supermarket could continue to provide area residents the produce and healthy dietary items they so desperately needed. Her wide circle of compassion and care is all-inclusive; and*

**WHEREAS:** *Under Vicki's guidance, the Eve Fenton Love-All Foundation has become one of the nation's "fastest growing foundations" helping disadvantaged and special needs children through the Eternal Flame of Life program. As President and Founder, Vicki has managed the Foundation's comprehensive outreach programs and overseen its important fundraisers for life-threatening and formidable medical conditions. She has also worked tirelessly to ensure that every child affiliated with the Eve Fenton Love-All Foundation has access to cultural, educational, and nutritional resources; and*

**WHEREAS:** *Vicki's incredible work served as a positive catalyst for change and hope in the lives of countless children and their families. As the Foundation's own words make clear, "Their Future is Our Destiny." By nurturing our children and filling their young lives with such genuine love, care and respect, Vicki has shaped the future of our society as a whole to be one filled with promise and hope; and*

**WHEREAS:** *A true champion for our community, Vicki has reaffirmed the quintessential spirit of America that reminds us all that we can change lives, solve problems, improve things, and make tomorrow better than today. She has truly distinguished herself in her life's work and has earned the esteem and gratitude of all New Yorkers; now, therefore*

**BE IT KNOWN:** *That the Council of the City of New York honors*
