Dear Friends:

It is a pleasure to offer a warm welcome to all who have gathered to support the exceptional work of The Eve Fenton Love-All Foundation and to honor the mothers of patients at Morgan Stanley Children's Hospital. I am sure that it will be a lovely afternoon, so needless to say I am disappointed that my schedule does not permit me to join you. I do, however, want to take this opportunity to add my voice to those heralding the truly remarkable women being recognized today. The caring, compassion, and fortitude that each of you has displayed under these difficult circumstances is truly remarkable. You are a source of strength, hope and healing to your children, and all those around you.

Let me also take this opportunity to commend the exceptional efforts of The Eve Fenton Love-All Foundation. Created to serve as an umbrella organization for entities striving to meet the special needs of disadvantaged and disabled children, the Foundation is a vital partner for hospitals, clinics, and community organizations. Through a myriad of diverse programs, focusing on such things as education, fine arts, health, nutrition, and medical care, it is making a tremendous difference in the lives of children and their families.

Again, best wishes to everyone involved in today's festivities. I am sure that you will have a memorable afternoon.

Warmest regards.

Sincerely,
